Town of Portland
Department of Public Works
Main Street Sidewalk Project

The Town Sidewalk Project has moved to Main Street. The replacement will be from Russell Avenue to Arvid Road. A full length sidewalk 5’ wide will be installed. Please note that while construction is underway there will be debris and uneven ground. The area that has been marked CLOSED should be avoided at all times. You may also see extra vehicles and contractors in this area between 7am-3pm. Children walking to school will be protected from harm and guided through the area safely by a school official or our local Police. We are working with the school to make proper arrangements. We apologize in advance for any problems this may cause. Please use caution and consider worker safety when driving on Main Street or crossing into any roads or driveways. The Department apologizes for any inconveniences and urges residents to use alternate routes where possible. If you require any further information please do not hesitate to contact the Public Works Office at 860-342-6733.
